You
out cold?
Even though
I didn't
cut much
Oh
Did you
cut your
hair?
Why
don't
you let
them
grow
?
You were
so cute
in Junior
high
About
4 years
ago
Well,
that's
your
opinion
ぼーさー
I'd love
to see you
with your
hair long
again
Hmmm
Well,
actually
There is
a reason,
but
A
reason
?

I wanna know
I wanna know
I wanna know
I wanna know

Forget it, I'd rather bring this with me to the grave.
Mumbling
Oh no you won't. Tell me what it is, now

Aah, the bell is ringing!
I'm gonna be late
I gotta go!!
See ya!!

It's something that makes her feel that uneasy?

あの娘にキスと白百合を
A Kiss and a White Lily for Her
女の子には知られちゃいけない〝秘密〟があるもの…。
A young girl has things she prefers to keep secret...
Chapter 4
Secret of my girl

Why Senoo keeps her hair short?

She has a point
Ah ha ha
If even you don't know, how could we?

Hum, I prefer her like now
I understand, yeah

Well, I sure wouldn't dislike seeing her with long hair

She looks so dignified next to Nikaidou
A "boyish" haircut.
So true.
……?
Don't tell me
…
She's trying to get a harem in this all-girl school…?!
If you wanna go out with me, make a reservation a month in advance, kitty

Moe, help!
.....
Yeah, no.
It's Mizuki we're talking about

? ? ? ? ? ? ? ? ? ? ? ? ?

When do you plan to show up at the club?
I even prepared your jersey
When I'm in the mood
And I never asked you that

Huh? When did you join the track team?
I didn't. But don't ask me why, I promised them I'd go occasionally

1-C
Kuro-sawa.

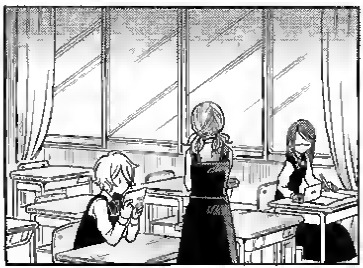
Mizuki is waiting for you too
.....
Say
When do you think a girl decides to cut her hair?
Ah yeah She does have them this way since her 2nd year of middle school
Doesn't it bother you to not know why she keeps them short?
No it doesn't.
PAN
By the way, why do you have all those photos of Mizuki on you...?
Why indeed.

I might be a little curious about the cousin
Just a little
But why should I care about her hair-cut
Ah!
I'm on this one!
がば
Flap

Broken heart
.....
I would have noticed that, I think
じっ…
Be not in Japan!
prayer.
She wouldn't need to be shy about that.
Malicious spirits inhabit the tip of the hair, so it's better to cut them from time to time.
Where did you learn that?
Can I keep this one?
No.

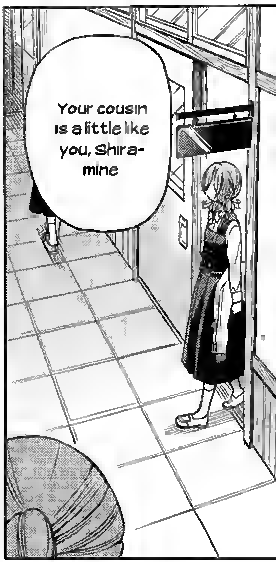
You like short-haired girls?!
What?
.....
The person she likes?

Or else
The person she likes is more into short hair.



Hum.
I don't remember telling her which type I prefered.
Then it beats me.
What else can I say.

You think so?
Our faces might look a bit similar.
It's not about the looks



Your cousin is a little like you, Shirakumine

She reminds me of you a bit.
So I thought

Hmmm
It might not be so bad to run with her, once in a while
Oh, but
Mixed feelings
ばーん
You're still the most wonderful, Shiramine!!!
Don't sneakily steal photos!!

Are you alright? You looked absent.

I've thought about it since then, but I'm clueless.
Err, it was my fault, so forget about this, will you?

……
About this morning…
Here.

Just pick whatever you want
I can't choose Chikaruuu!
Which one should I take
It's fishy
Why are you so reluctant to tell me?
.....

Hmmm
Well, if I let them grow, I'll have to tie them up when I run
And short hair doesn't get in the way It dries faster too

カチャ
Hum

BUSTED
And the real reason?

I really..
Don't want you to know, Moe...

To blush as intensely as she does.
It must be some seriously embarrassing reason
Introspection
True, forcing a friend to reveal a secret she's desperately trying to hide isn't very fair
I can't stop worring about it, though...
*She's not in the dormitories
Hehe...
What do you mean, you guessed?!
What?!
Crap.
I want to know so badly.
That's so mean of you, Moe...

Maybe I should ask her one more time.
But she might get mad at me...
カラ
All I want
Is to know more about her
Cui
Cui
Even by thinking about it all night, I couldn't find anything.
...Wait, I really thought about it all night.
ほへ

nodding off...
I'm sleepy

AH!
Hmng
...
WATCH OUT!
BONK
Aah...

I offended someone who was precious to me.
This is divine punishment.
Why even though I hold her so dear ...
do I keep on doing things that hurt her feelings?

Moe!!
Are you alright?!
Hold your horses.
And you should rest, okay?!
And your mother is coming!
The teacher told me to bring you to the infirmary...
You were hit by a ball, you know!
...Of course you're not.
WAAAAAAAAAAAAAAH
I lost my balance and fell.
Something hit my head.
It's nothing to fret about.

And I took a little nap while I was at it.
Since I couldn't sleep last night.
Zzzz...
HP
You were just sleepy?
.....
But why couldn't you sleep?
Wait.
So...
It was just that
HAAA
Thank God...
へな
へな
Don't tell me it's because of that hair talk?
Sorry, Mizuki
What do we do with her bag?
Senpai seems fine.

I did think that it was bad to peek in a secret you wanted to hide
Stupid

Hey..
Don't y'know! Me
And I kind of y'know
But then I started imagining your reaction should I find out

But..
I had no intention of offending you
I'm sorry

I also want to know everything about you
I know it's selfish of me
Forgive me

HAAA!!
You promise you won't laugh?
I may or may not.
XXX is so cool!! I'm gonna cut my hair too!!
If you had the idea by reading a shoujo, that's within my expectations, so I can take it
Not really, but that's no less embarrassing I guess
That's because

YOU...
YOU'RE CUTE, MOE!
!?

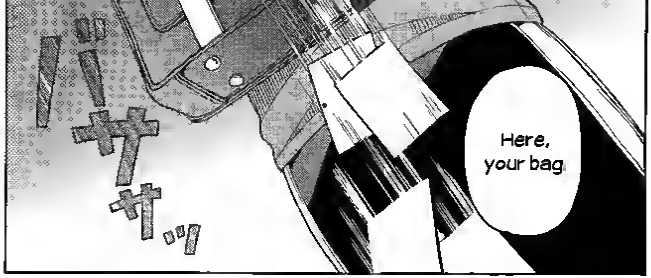
But... ever since I cut my hair...
What people?
ネガ
And I didn't want people to wonder why you were friends with someone like me...
ネガ
ネガ
You have wide eyes, long eyelashes, smooth hair...
Everyone says it gives a good vibe when I stand next to you.
And well, I kind of like it myself, so...
How can I say...
Err
Err
You're laughing your ass off!!
That's rude!!
Sorry.
I mean
Seriously

What I said about running wasn't a joke, after all.
Not for now, at least...
There, I said it, so I might as well go all out.
Fu fu fu fu
You're not gonna let them grow?
And, while I do envy your cuteness...
As it makes me more compatible with you...
It allows me...

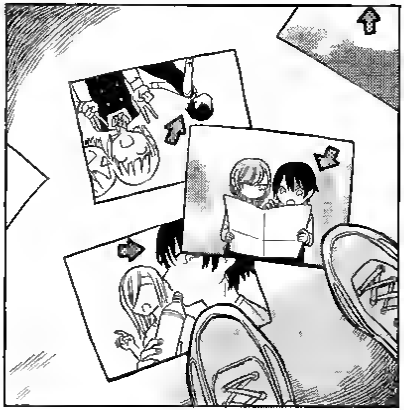
To also like myself a little more, I think.

I see.

ゴソ
You'd better go to the infirmary.
It's all red.
Ah, right, you still were hit on the head.



Here, your bag.



Ah, sorry
some-thing fell...

Ah...my bag was full of it.
Thanks
They are all pictures of me!!

Brr
Err... and this one...
Where did you take it from, exactly?

I'm aiming for the full collection while I'm at it.
It seems I have that "collecting mania" thing, you see
That's called being a stalker, Moe.

Hm?
Secret
次号につづく!

I can't quite accept this...

Why did you hit me?!
OW!
PAF
Yeah, put the bag wherever
Let's go
It's still a bit of a shock
WAAAH
But I'm no match for Mee-senpai.
Shoot, I was a fan of Mizuki-senpai
